Cumberland Hope Community Recovery Center for Women

Annual PREA Report 7/1/2019-6/30/2022

This report is being published in accordance with PREA standard 115.288.

A review of data being collected from July 1, 2019 through June 30, 2022 reflected that there was one allegation of sexual related incident reported. In 2019, we have (1) case of offender/offender consensual incident which is not actually considered PREA. In 2020, there was (1) substantiated offender/offender abusive sexual contact case.

All allegations were investigated thoroughly and taken seriously.
